Reg. No. 36,144

Dear Sir:

The following remarks are offered in response to the Examiner's Office Action dated 10/06/2004. They are respectfully submitted as a full and complete response to that Action.

REMARKS

Reconsideration of the above-referenced application in view of the following remarks is respectfully requested.

Claims 1-22 are pending in this case.

The Examiner rejected claims 1-22 under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
